

# Friday 14th February

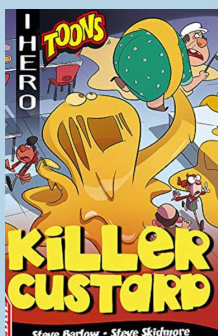

## Number Day

The children enjoyed taking part in this year's 'Number Day'. They were put into mixed groups and moved around school to different classrooms to take part in maths themed activities. They all worked well together and dressed as rock stars or wore number themed clothing to raise money for the NSPCC.

## Author Visit

Key Stage 2 had an inspiring visit from the author Steve Skidmore last week. He shared part of his 'choose your own adventure' book with them involving Mr Sargisson and Miss Gillett being ninjas! The children said that they had brilliant fun so thank you Steve.

## Number Day - maths at Montrose is so much fun!

The children enjoyed taking part in activities across year groups. There were magic tricks, chatterboxes, mazes, co-ordinate puzzles, battleships, data handling activities and much more.

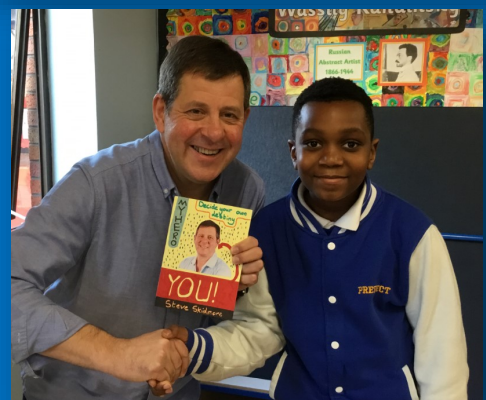

## Reception Class - Pizza Week

Reception children made pizza's with Mrs Melbourne this week as they have been learning about people in the community who help us. They have also been learning about fractions by cutting pizzas and have been writing instructions about how to make pizza. Pizza Hut kindly delivered pizzas to the class today as an end of term treat!

### Steve Skidmore

Key Stage 2 thought you were really funny and enjoyed meeting you. Thank you to Aaron for the clever and well designed card that you made for Steve. Look out for copies of 'The Killer Custard' at school and more of his books at the shops!

### Dance Festival

On Wednesday a group of year 6 girls went to St. Pauls Catholic School for a dance festival. They performed a dance with karate, gymnastics and synchronised swimming as the theme was Olympics. Imogen told me that they all had a great time and were first place in rehearsals. Well done girls for representing the school so fantastically.
