

30th September 2022

Montrose School

Achieving, Caring, Aspiring

Thank you for supporting our recent book fair

As the weather is starting to become more autumnal please make sure that you send your child to school with a coat.

European Languages Day

We spent time learning about the languages spoken in other European countries to celebrate language learning and cultural diversity. Each class looked at a different European country and took part in a range of activities including food tasting, researching landmarks and looking at art.

Photographs

Please check in school bags for the photograph proof of the class photographs that were taken last Wednesday. All ordering is online so please follow the proof instructions and order by the deadline.

School Admissions

Starting Secondary School (Year 6 children) – Online applications must be submitted by midnight on Monday 31 October 2022.

Starting Primary School (Reception September 2022) – Online applications must be submitted by midnight on Sunday 15 January 2023.

Roald Dahl Day

We enjoyed coming to school dressed as our favourite Roald Dahl characters or in yellow to celebrate Roald Dahl Day.

Book Fair

It was lovely to see so many families at our book fair. Thank you for helping to raise money to buy books for school.

Sporting Events

Selected children have attended sporting events this month. Firstly, a group of year 5/6 girls attended a football session at Goals. They were enthusiastic and tried their best throughout the session. They practiced their ball skills and worked hard on developing a strong football team for the future.

Secondly, a group of year 1 children attended a health and well-being festival and Rolleston Primary school. The children worked as a team to make a tall tower out of their shoes, played some parachute games and met the health and well-being mascot. They had a great time and showed resilience and team work skills.

This week, children from years 3 to 6 went to a cross country event at Victoria Park. Logan Y3 and Myla Y6 won medals for qualifying in the top 3 and Daniel Y6, Emma-Jayne Y3, Amaya Y3, Daisy-Mae Y3 and India Y4 came in the top ten for their age. Well done to everyone for taking part.

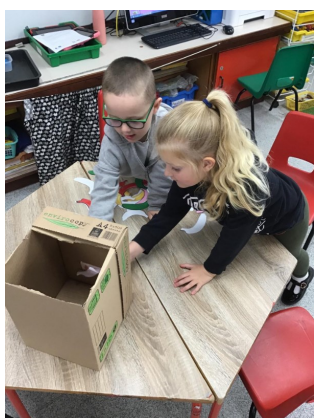

Nursery

We have been making delicious pizzas and creating designs in the 'Atelier' area. We have also listening to the story 'Owl Babies' and made our own owl babies.

Reception

We have been enjoying our forest school sessions and exploring activities based on the story Monkey Puzzle.

Year 1

During European Languages Day we learnt about the beautiful castles in Romania and some Romanian words. For our activities, we made castles, painted flags and tasted some Romanian snacks.

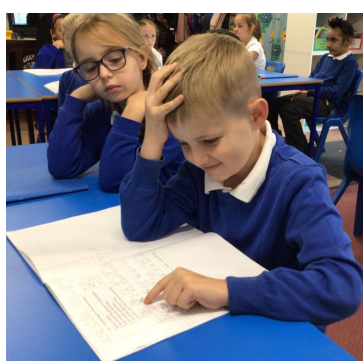

Year 2

We had a super day at Woburn Safari Park. We saw rhinos, lions, sea lions, giraffes and many more animals as well! The children have all behaved fantastically and were great representatives of the school.

Year 3

We read the book 'Iron Man' by Ted Hughes and wrote instructions on how to trap the Iron Man to stop him getting into school. We are now reading 'King Midas and the Golden Touch' and are writing a character description about him.

Year 4

We have enjoyed learning about the art of Pablo Picasso and creating pieces in his style.

Year 5

We have learned about the different phases of the moon and made lunar cycles out of Oreo biscuits. We also made day and night models to help us understand why we have day and night.

Year 6

We have been looking at war poetry and the children have been using noun phrases, similes, metaphors, their senses and alliteration to describe different images from World War 1.
